A Community Anchor

Envisioning and Building the Educational and Community Campus of the Next Generation

Nearly 90 Years of Impact and Renewal

- One of Israel's most **influential** educational institutions.
- A **distinctive** Leo Baeck **ethos** that reflects our values and vision, inspiring and influencing diverse communities across Israel and around the world
- A continuous **educational pathway** from early childhood through adult learning, including programs for students with ASD and gifted students
- Thousands of **alumni** are making an **impact** in Israel and around the world in technology, public service, education and media.
- Meaningful, long-term **partnerships** with the City of Haifa and partners across Israel and around the world.
- A unique **ecosystem** of education, community, culture, sport, and a commitment to shared society, creating a vibrant, diverse, and thriving community.

How do we prepare for the next 90 years?

The world is changing

Three revolutions are unfolding simultaneously

Social

Increasing polarisation and social fragmentation

Technological

Artificial Intelligence

Urban

The transformation of Haifa neighbourhoods

Vision for 2040

To create a campus that is

- Educationally and academically **outstanding**
- Rooted in **Jewish pluralistic** values
- Technologically **innovative**
- Deeply connected to its **communities**
- A positive force **shaping** Israeli society

Why Now?

Thousands of **new housing** units are being developed in the surrounding area

A growing population of **young families** in our area

A unique opportunity to **expand** our **impact**

Increasing **competition** for students and communities

An urgent need for **innovative learning** environments designed for education in the AI era
